## Nofx - Bob

Tom: C Trumpet solo with riff 1 4x С C He spent 15 years getting loaded A couple lines, an extra thermos of Joe 15 years till his liver exploded, He'll be kicking in heads at the Punk Rock show Now what's Bob gonna do, Bob's the kinda guy he knows just what Now that he can't drink? Bob's the kinda guy he knows just what to do The doctor said, When the Doctor tells him to Bb C Quit your drinking, now's the time what you been thinkin' about? G Will he ever walk the line? Bob said thats the point, Bb To all my friends I feel just great I wont think about nothing, now i gotta do something else G Will he ever walk the line? 0i, 0i, 0i Bb Kicking ass and busting heads G To pass the time bob shaved his head Red suspenders Bb F Once a day he shaved his head He got a new identity G But will he ever walk the line Bb 62 holed air cushioned boots Will he ever walk the line G Will he ever walk the line And a girl who ride a scooter to take him Bb Will he ever walk the line 0ut Of town They would get away Oh will he ever walk line Riding around, as the truckers drive by you could hear the riff 1 2x mother fuckers go Shoobee do wop bop doobie...

( riff 1)
