

# Nofx - California Drought

Intro: G tom:

I?ll go to a meeting and get called a loser  
Then I get invited to a party from a bro who works at Bayer  
[Pré-Refrão]

[Primeira Parte]  
He?s got the shit from 1910, bottled H that?s genuine  
I just wanna see what all the hype?s about  
I just gotta try it once, but I say no cuz I got 3 months?  
And like the California drought, I?m dryin? out

I once heard a song about it never rains in Southern California  
I once saw a band play at the Farm sober, I hadn?t had a drink  
Like cleaning gums or huggin? bums  
Or doin? something that you know?s good for ya  
Those times are tedious and tenuous  
And hopefully much shorter than a blink

[Pré-Refrão]

I?m so easy to deciphe, I could rationalize for life  
But from all the strife I caused, I gotta go without  
Taking codones is insane, I don?t wanna kill I want more pain  
So like the California drought, I?m dryin? out

[Segunda Parte]

I got the one job that it?s frowned upon if you?re not a user  
The bands that are all sober are the ones playing the Warped  
and county fairs

[Ponte]

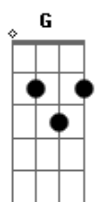

[Terceira Parte]

My sponsor should be Ernie Ball or PBR not Pat from Petaluma  
The chips I want are kale, corn, potato, and for betting on a flush  
But now I gotta listen to a 20 minute story that?s just a rumor

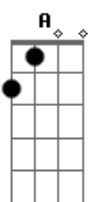

And I?m sorry but this nicotine and caffeine don?t gimme the same  
Rush

I?m a jest pilot in jux, to positions in a crux  
I?m not in fashion I?m in flux, so they all doubt  
I just want some cocaine but it?s making me insane  
I think I may have broken my brain so I?m dryin? out
