Tom: **G**

**G** **Em** **G** **Em**  
I never thought about the universe, it made me feel small  
**C** **Am** **C** **D**  
Never thought about the problems of this planet at all  
**G** **Em** **G** **Em**  
Global warming, radio-active sites  
**C** **Am** **C** **D**  
Imperialistic wrongs and animal rights! No!

(SAME CHORDS)

Why think of all the bad things when life is so good?

Why help with an 'am' when there's always a 'could'?

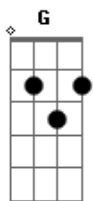

Let the whales worry about the poisons in the sea

Outside of California, it's foreign policy

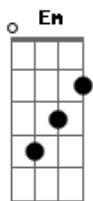

**G** **Em**  
I don't want changes, I have no reactions  
**C** **D**  
Your dilemmas are my distractions

**G** **D** **Em** **C**  
That's no way to go, Franco Un-American  
**G** **D** **Em** **C**  
No way to go, Franco Un-American  
**G** **D** **Em** **C**  
No way to go, Franco Un-American  
**G** **D** **Em** **C**  
No way to go, Franco, Franco Un-American
