(all chords are syncopated)

**F**  
**Gm**  
**Am**

The white man call himself civilized  
Cause he know how to take over  
The white man come to pillage my village  
Now he tell me I have to bend over

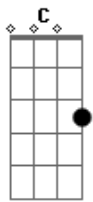

No I do not like: the white man offend me

He rape all my people as he rape my country  
Everything I love and cherish he try to take away  
We will be rid of him, soon come the day
