

Nofx - Leaving Jesusland

Tom: C

A música é toda todaca em riff..

Am F G Em
We call the heartland not very smartland, IQ's are very
low but threat levels are high
Am F G
They got mandate, they don't want man-dates, they got
so many hates and people to despise

Am F G
In the dust bowl, cerebral black hole, the average
weight is well over 200 pounds
Am F G
I hate to generalize, but have you seen the thighs,
most haven't seen their genitalia in a while

F
Maybe that's why they're so scared of us
[Maybe that's why they're so pissed at us]
We have concerns other than fear and hunger pangs
[They're all jealous we're having better sex]

Am C F G F
Queers, transgends, and lesbians, vegans and
vegetarians
Em Am F
All you brownish red and yellow ones come out and join
us on the coast

Am F G Em
Ab Am
No longer svelte, they gotta punch new holes in the bible belt
Am F G
Em Ab Am
They've blown out the fire under the melting pot, the red
blood of America is starting to clot
Am F G Em
Ab Am
No compromise, no sight thru others' eyes, they're just flies
spreading pieces of shit
Am F G Em
Ab Am
You gotta emigrate, stop living in hate, what makes this
country great is dwelling on either side

F
They don't want visitors in Jesusland
They want life bland and canned in the fatherland

Am C F G F
C
We want people with college degrees, drug use experience and
STD's
Em Am F C
People with open-minded philosophies, come hug California
trees

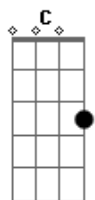

Em Am
We're gonna burn Orange County down,
F C F C
And then we're off to Riverside, Bakersfield and Fresno too,
F Am
then we're comin' after you
F, G, Am,Am,F, G, Am..

Am F
The fear stricken, born again Christian,
G Em Ab Am
They got a vision a homogenized state
Am F
Textbook decline, Intelligent Design
G Em Ab Am
They got Bill Nye on the list to execrate

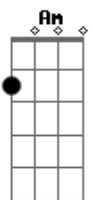

F
They don't want visitors in Jesusland
They want life bland and canned in the fatherland
Am C F G F C
Punk Rockers and emo kids, people doin' things the church
forbids
Em Am F C
Buddhists, agnostics, and atheists we're moving out of
jesusland
Am C F G F C
Art students and thespians, - excluding country - all the
musicians
Em Am F C
We want all hookers and comedians, nihilists are welcome too
Am F G Em
Ab Am
No longer svelte, they gotta punch new holes in the Bible
belt.

Valeu Aí!
