The healers have become the harmers

**A** **E**  
It's time they change the name of the oath to  
**D** **A**  
The hypocritic or the parasitic

**Ab A**  
It isn't Adderalltruistic  
**G** **D**  
By overprescribing  
**A**  
How can we fight them in a Suboxone ring  
**Ab A**  
I'll throw a Prozacuzation  
**G**  
With a Subketamining  
**D**  
They'll say my fears are Quaaludacris  
**A**  
They should be Ativanishing

**Ab A** **E**  
With every Demeroltercation  
**Gbm** **D**  
They'll have a good Xanaxplanation  
**A**  
You're just Cialistrated  
**E** **D**  
Cause we made your dick deflated

**Ab A**  
It's OxyMoronic  
**Ab A**

**Ab** **A**  
It should be doctors getting busted  
**G**  
For their Klonopinions we trusted  
**D**  
We're not the sinners, they're the ones  
**A**  
That served us the Vicodinners  
**Ab A** **E**  
I don't want to be an alarmist  
**Gbm** **D**  
But in that harmacy there's a harmacist
