

Nofx - Reeko

Tom: C

Reeko, try to understand, it really is that bad

It won't just go away, the party's over

It's past two o'clock, so it's about time

We stopped, 'cause I see the keg has been sucked dry

The cisco was emptied into the aquarium

Where the fish all seem to float the ex lax

Lines the dog bowl

The toilet's overflowed, we've had our fun

so now there's nothing left to damage.

We got no place left to go

Mr. President, please understand, it really is that bad

It won't just go away, it's just beginning

The ballots have been cast, we make like seaward rats

Leave this sinking ship, leave and not look back

The things we never tried to disallow

Have come back to haunt us now

With apple pie and chevrolet

We've come to see the end, we all made this bed

Now we got nowhere to lay, dies and gentlemen

Try to understand
