

Nofx - Total Bummer

Tom: **C**

Go away, **Am** sunny day. **C**

Go away, **Am** sunny day. **C**

Dm

All the horny people sit,
In front of their TV's and thinkin'

F What is wrong with me?
C

I'm not a monster.

Dm Why won't anybody fuck me?
I don't wanna live life lonely.

F Why does everyone have to be

C perfect?

Am Go away, sunny day. **C**

Am Go away, sunny day **C**

Dm

All the bar flies sippin' whiskey,
Fighting ever present pity.

F Wondering what they keep suckin'
C

back for.

Dm

It's in the drink or trepedation,
Watchin all trains leave the station,

F Left standing alone without a
C|- **B** ticket.

Am You light up my life, **C**

You give me hope, **F**

C To carry on.

Am You light up my days **C**

F And you, you light up my life. **C**

Solo?

Dm

Stop searching cause there's no
answer,

F Just a long line of disaster.

There's no simple way to stop the

C sadness.

Dm

Life's not fair I'm glad it's not this.

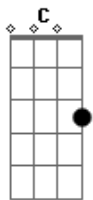

F Isn't heaven just a lonley planet,

On the verge of self destruction?

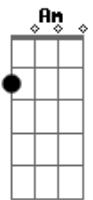

Final:

C - B - Am
