Tom: E

Dbm  
You are in pain

E B  
Take your life, take your life with cocaine

But I am who I am

A  
so I do what I can, when I can

Dbm  
but I can't really do a damn thing

So fine this day

E B  
all your problems has gone away

but tomorrow, when you wake up

A  
all your problems are back to stay

Dbm  
Your life, a game

E  
turn it up, turn it up with cocaine

B A  
And everytime that you live is a time when you feel

and the only time you heal

Dbm  
Tell me what it is

and it would never be like this

E  
A problem that we have in common

baby tell me what it is

B A  
it probably doesn't mean a piss

Dbm  
yeah, rip my heart apart

( Dbm )

Dbm A E  
Now it's too late, too late to live

B Dbm  
only heaven loves you now

A E B  
so love it back for once, just once

Dbm A E  
Now it's too late, too late to live

B Dbm  
and my conscience's killing me

A E B  
so am I alive but I am not free

A Gbm E B  
and for all of you that can relate to this too

A Gbm E B  
and for all of you that can relate to this too

Dbm  
White snow, oh I know

E B  
You're on a place where I just can't go-o

But I hope you do remember

A  
your snow doesn't warm you in december

Dbm  
You are in pain
