Intro: (Dm Am G Gm)

(Dm Am G Gm)
I never told you about the summer
Everyday was changing
Only photographs
Am Gm
But life goes on
Am Gm
In my mind so warm

(Dm Am G Gm)
Out on my own now
And I like the way it feels
Didn't I come through
You were too far gone
Am Gm
After the fall
Am Gm
Do you still want it all?

Instrumental: (Dm Am G Gm)

(Dm Am G Gm)
You never told me about the winter
Everyday was changing
But I remember
Am Gm
But life went on
Am Gm
In my mind so cold

(Dm Am G Gm)
Out on your own now
Do you like the way it feels?
Didn't I come through?
You were too far gone
Am Gm
After the fall
Am Gm
I still want it all
