Norah Jones - I Don't Wanna Get Over You

```
Tom: G

   Verse 1:
       G
      I'm not here to forget you,i'm here to recall

      The things we used to say and do
                            Am
      I don't want to get over you
      D                   G
      I don't want to get over you

Verse 2:
       G
      I haunt the same places we used to go
      Alone at a table for two
                            Am
      I don't want to get over you
      D                   G
      I don't want to get over you
      G                                B
```

```
      They ought to give me the wurlitzer prize
      C                      Am               C
      For all the silver i led slide down the slot
                                   G
      Playing those songs sung blue
                        Am
      Help me remember you
      D                   G
      I don't want to get over you
Verse 3:
                G
A fresh roll of quarters,same old song

      Missing you through and through
                            Am
      I don't want to get over you
      D                   G
      I don't want to get over you
      G                     Am
      I don't want to get over you
      D                   G
      I don't want to get over you
