tom:

B

Oh, it's too late **Gbm B**

Come watch the waste **E**

Dirty English sky **Dbm**

It's washin' me away **Gbm**

Open my lungs **B**

I feel the gunge **E**

How it tries to kill me **Dbm**

It's stinging **Dbm**

Now you know we're all the same **Gbm B**

Who have you been left to blame? **E Dbm**

Everlasting summer again **Gbm B**

It's all we've got left **E**

It's all we've got **Dbm**

So here's your last kiss **Gbm B**

Won't wanna miss this **E Dbm**

Only piece of heaven I've ever had **Gbm B**

No, I don't think it's for nothing **E Dbm**

But I hope someday we're gonna get it back

(**Gbm B E Dbm**)

Cover our eyes **Gbm B**

It feels so nice **E**

Li? on mornin' TV **Dbm**

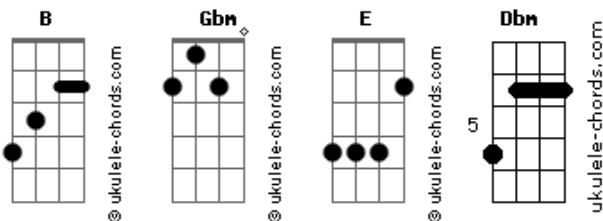

It's easy **Dbm**

Say the wrong things the right way **Gbm B**

Tak?s you to the highest place **E Dbm**

It's time to embrace the insane **Gbm B**

Acordes

It's all we've got left **E**

It's all we've got **Dbm**

So here's your last kiss **Gbm B**

Won't wanna miss this **B**

Only piece of heaven I've ever had **E Dbm**

No, I don't think it's for nothing **Gbm B**

But I hope someday we're gonna get it back **E Dbm**

La, la, la, la, la **Gbm B**

La, la, la, la, la **E Dbm**

La, la, la, la, la **Gbm B**

La, la, la, la, la **E Dbm**

La, la, la, la, la **E Dbm**

Tomorrow is closed **Gbm B**

There's no future at all **E Dbm**

We've burned it all down, down to the ground **Gbm B**

Oh, I saw it written on the bathroom wall **E Dbm**

I've lost my place, we all have **Gbm B**

But I hope someday we're gonna get it back **E Dbm**

So here's your last kiss **Gbm B**

Won't wanna miss this **B**

Only piece of heaven I've ever had **E Dbm**

We're all sinking, you know the feeling **Gbm B**

We're all reaching out to find another hand **E Dbm**

No, I don't think it's for nothin' **Gbm B**

But I hope someday we're gonna get it back **E Dbm**

La, la, la, la, la **Gbm B**

La, la, la, la, la **E Dbm**

La, la, la, la, la **E Dbm**
