Trip Switch

   Am                           G
Make a wish and I'll count to three
                            Dm
Press the button and we'll both be happy
Am                        C
Sending signals is a dirty trick
G                     Dm
I get my love in a digital packet

Trip Switch

Dm                          C
What we do when the power's out
G                           Dm
What do we do when the lights go down
Dm                          C
What we do when the power's out
G                           Dm
What do we do when the lights go down
                            G
Down, Down, Down, Down, Down
                          Dm
When the lights go down
                            G
Down, Down, Down, Down, Down

Am                          C
Gimme data cos I need a hit
```

```
G
How I love stratospheire numbers

Am                           C
Information, I've been craving it
G                         Dm
Gimme yours then gimme all the others
