

Nova Luz - A Different Tone

```
Tom: E
  Introdução: [ E A B ]2x
The wind that touches me is a brief announcement
    Dbm7
Of a day that already is ending, of a new start.
The bitternesses from the past come to see my soul
And I see that I can no longer prevent my walk.
                            В
All of my heart just wants to be a crucible, fusing love and
peace,
                              Dbm7
Beginning a renewed life. Port in other pier,
       В
                              Dbm7 Dbm7
Of faith and of temperance to not fall anymore,
 To find Jesus.
[ E A B ]2x
A feeling of confidence comes to show me
      Dbm7
That whatever I want of this world, it's on my own to get
The harmony among people can become reality,

If each of us contribute with our own unique way.
That's what gives me such a beautiful view of a good world
