

# Nova Luz - A Different Tone

Tom: E

Introdução: [ E A B ]2x

The wind that touches me is a brief announcement  
Of a day that already is ending, of a new start.  
The bitteresses from the past come to see my soul  
And I see that I can no longer prevent my walk.

All of my heart just wants to be a crucible, fusing love and peace,  
Beginning a renewed life. Port in other pier,  
Of faith and of temperance to not fall anymore,  
To find Jesus.

[ E A B ]2x

A feeling of confidence comes to show me  
That whatever I want of this world, it's on my own to get  
The harmony among people can become reality,

If each of us contribute with our own unique way.

That's what gives me such a beautiful view of a good world where I  
Cooperate more and sound in a different tone  
Of solidarity and of greater love.  
I feel a change inside me.
