```
tom:
               A (forma dos acordes no tom de G )
Capostraste na 2ª casa
Intro: G C7M D Em7 G C7M
Took the breath from my open mouth
Never known how it broke me down
          Em7 G
I went in circles somewhere else
Shook the best when your love was home
Storing up on your summer glow
                               Cadd9
            Em7
You went in search of someone else
And I hear your ship is comin' in
                         Cadd9
           G
Your tears a sea for me to swim
           G
And I hear a storm is comin' in
                           Cadd9
            G
My dear is it all we've ever been?
( G C7M D Em7 G C7M )
Caught the air in your woven mouth
Leave it all I'll be hearing how you went
