

Novo Som - Eu e Você

Tom: E

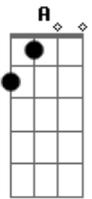

Foi você quem fez nascer essa canção de amor
 que traz um pouco do meu coração.
 foi você quem mereceu o amor que Deus me deu para te dar

você nasceu pra mim eu pra você, e te amar é mais que te querer.
 o nosso amor é mais que a primavera flor e algo assim,
 muito além da terra, céu e mar.
 se um dia magoei, perdoa meu amor, eu não fiz por querer,
 eu e você somos uma forma de expressão do amor de Deus.
