

Now United - Come Together

tom:
Capostrate na 2ª casa

F
What are we doing?
G
Where are we now?
Am
What is the reason why we knock each other down?
F
Why are you lonely?
G
What do you need?
Am
What will it take to make us fly
G
Right off the ground?
[Pre-Refrão]

F
Just like dust in the air

Throw our worries away
G Am
We don't need them
G

No, we don't need them

[Refrão]

F
Come with me, feel the rush
G
Let's get close and share the love

Am
Take my hand, it's yours to hold
G

Come together, don't let go

F
Light the sky, burn it up
G

We are young and beautiful
Am
Take my hand, it's yours to hold
G

Come together, don't let go

F
Come together everyone, everywhere now
G

Come together on the floor, on the playground

Am
Catch the rhythm now, turn the music loud
G

Come together like: Oh, oh, oh

F
Come together everyone, everywhere now
G

Come together on the floor, on the playground

Am
Catch the rhythm now, turn the music loud

Oh, oh, oh
G

F
Just a believer

Lost in the crowd
Am

What are the matters of the ones that we surround?

F
Watching the ceiling
G

Right here and now

Am
Somewhere we feel that we are floating off the ground
G

F
Just like dust in the air, throw our worries away
G Am

We don't need them
