

# Now United - Let Me Be The One

tom: G

C  
Suddenly, I gotta go

F  
It tears me apart

G  
It's hurting my heart

C  
Suddenly, I'm feeling down

F  
I swear I'll be back

G  
You know I'll be 'round

C  
If you're feeling the pain

F  
I'm feeling the same

G  
I've gotta catch a plane

F  
But I'll be back again

C F  
Oh, oh, love me when I'm gone

G  
Let me be your reason

F  
Let me be the one

C F  
Oh, oh, I'll love you all the time

G  
Be my one and only

F  
Baby, be mine

Hey, yeah

C'mon

G  
You'll always be my reason

F

So let me be the one

C  
Suddenly, I gotta leave
