

Now United - Summer In The City

Tom: G

Hey, the city streets are burning up our feet
As we, as we're running wild, as we, as we're running wild

Hey, just like the sun
We're gonna blaze it up
Cali-California style, Cali-California style

I know you feel it like I feel it is the right time
We'll be everywhere we go
At the sunroof we can catch a summer vibe
Here with me i'ts always home

Turn it up and keep it popping for the whole night
Going so hot vertigo
Just let it go and close your eyes, and be alright
Yeah yeah a-ha (eh eh eh)

Summer in the city, we'll be looking pretty
Going at it all night
Summer in the city sing it to me, baby
Do-ro-ro-do

Summer in the city we'll be looking pretty
Underneath the sunlight
Tell me what you want (ah ah)
I know what you want (ah ah)

Summer in the city, we'll be looking pretty
Going at it all night
Summer in the city sing it to me, baby
Do-ro-ro-do

Summer in the city we'll be looking pretty
Underneath the sunlight
Tell me what you want (ah ah)
I know what you want (ah ah)

Hey, one thing is true
The summer has no rules

It's just, it's just how we live, it's just, it's just how it is

Hey, I got a wish

Before the autumn hits

Promise, promise, don't forget, all the, all the shit we did

I know you feel it like I feel it is the right time
We'll be everywhere we go
At the sunroof we can catch a summer vibe
Here with me i'ts always home

Turn it up and keep it popping for the whole night
Going so hot vertigo
Just let it go and close your eyes, and be alright
Yeah yeah a-ha (eh eh eh)

Summer in the city, we'll be looking pretty
Going at it all night
Summer in the city sing it to me, baby
Do-ro-ro-do

Summer in the city we'll be looking pretty
Underneath the sunlight
Tell me what you want (ah ah)
I know what you want (ah ah)

Summer in the city, you'll be looking pretty

I know what you want (I know what you want girl!)
