

# 'NSYNC - Bringin Da Noise

Tom: D

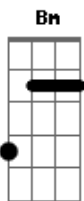

Bringin' da noise  
 Bring down the house  
 We came here to turn the party out  
 Say come on come on  
 Let's raise the roof  
 Forget the roof  
 Then we can get loose ya'll x2  
 We need to get down  
 The scene is set so right  
 Everybodies in the house tonight  
 Lose your mind  
 Let your body take control  
 You've got to feel it in your soul  
 I've got that feeling baby  
 You know it drives me crazy  
 And all I wanna do is hit the floor  
 I wanna shout at ya'll  
 So make it louder ya'll  
 And turn it up some more  
 Bringin' da noise  
 Bring down the house  
 We came here to turn the party out  
 Say come on come on  
 Let's raise the roof  
 Forget the roof  
 Then we can get loose ya'll x2  
 Bringin' da noise  
 Bringin' da noise  
 Bringin' da noise  
 Bringin' da noise  
 Just shake it girl  
 And enjoy the ride

Do what you feel inside  
 Cause it's your world  
 All you want and more  
 So baby go and get yours  
 I've got that feeling baby  
 You know it drives me crazy  
 And all I wanna do is hit the floor  
 I wanna shout at ya'll  
 So make it louder ya'll  
 And turn it up some more  
 Bringin' da noise  
 Bring down the house  
 We came here to turn the party out  
 Say come on come on  
 Let's raise the roof  
 Forget the roof  
 Then we can get loose ya'll x2  
 Bringin' da noise  
 Bringin' da noise  
 Bringin' da noise  
 Bringin' da noise  
 Bringin' da noise  
 I've got that feeling baby  
 You know it drives me crazy  
 And all I wanna do is hit the floor  
 Bringin' da noise  
 Bring down the house  
 We came here to turn the party out  
 Say come on come on  
 Let's raise the roof  
 Forget the roof  
 Then we can get loose ya'll x6
