

# Nuno da Câmara Pereira - Veio a Saudade

tom:  
Intro: Dm Gm C G7  
D G7 C

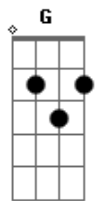

Veio a saudade  
Sentar-se junto de mim  
Falou-me com amizade  
Ninguém me falara assim  
Veio a saudade  
Com amor a recebi  
Falamos muito à vontade  
E só falamos de ti

Que bom amor, que bom poder recordar  
Horas de encanto e de dor  
Voltar de novo a sonhar  
Que felicidade, agora que te perdi

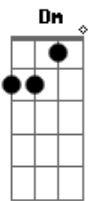

Ter junto a mim a saudade  
Pra poder falar de ti  
Veio a saudade  
E agora que me deixaste  
Eu penso se na verdade  
Não foste tu que a mandaste  
Veio a saudade  
Mas seja lá como for  
Meu amor, tem piedade  
Vem antes tu, meu amor  
( E Am F )  
( Dm F E )

Que felicidade, agora que te perdi  
Ter junto a mim a saudade  
Pra poder falar de ti
