

O Bardo e o Banjo - You Need Some Hope

Tom: D
Intro: D D G D 4x
G Em G Em 4x

D Bm
Some nightmares can go through
D G
A few long nights
G A
Some people say it's just dark memories
G D
That persist to come in your mind

D
The waiting for tomorrow
Bm D G
Can take a long, long looong time
G A
You don't have all this patience my friend
G D
So just do what you think is right

D Bm
But, what's right?
D G
To be in peace or disturb my mind?
G A
Maybe create the peace
G D
With the chaos in your heart

D Bm
Yes! The chaos and the peace
D G
They can co-exist
G A
So free your fears and have trust
G D

Something that's more, than you think

D D E
Sit down and watch the trees
D D E
Standing alone with the falling leaves
Em G
Waiting for spring and melodies
D
That never come

D D E
It's time to change the road
D D E
Keep your way on this water flow
Em G
You can't live for dark memories
D
You need some hope

Bridge: G Em G Em 4x

D Bm
Can you see that little bird
D G
Flying so high?
G A G
Spreading wings and dancing between the clouds,
D
Gliding through the sky

D Bm
So why do you harden your feet
D G
And don't move to the next step?
G A G
Is it so hard to reveal your faults and your losses?
D
Just sing them to the world.
