

O Cinza - Rita

tom:

Am

Rita se deita com o presente

Mas só geme com o passado

Mente, diz que sente

Muito mais que um orgasmo

As unhas nas costas

Doem além da pele

Memórias são sobrepostas

Por mais que ela sele

Então outro rapaz

Que exala boemia

Mas Rita ama o que se esvai

Fedendo a poesia

(Dm E)

Vai amar, Rita!

Vai viver, mulher!

Não perca a tua vida

Com quem mal te quer

Vai amar, Rita!

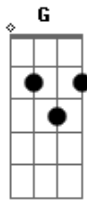

Vai viver, mulher!

Não perca a tua vida

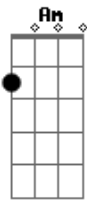

Com quem mal te quer
