tom:

Intro: E A E A

E A  
Ontem sonhei

E sonhei com tanta força que vi

Um mundo bonito e um girassol

Dentro de mim, um girassol

Que nasce pro amor a girar

Como é bom sonhar

Ó que bom amar

( Gbm F#m(9,11) B7 B7 )

E A  
Sonho de flor

Você é um sonho feito em cor

E parece que nos vamos viver

Nesse jardim, lindo assim

Você voa perto de mim e eu te dou amor

( Gbm B7 )

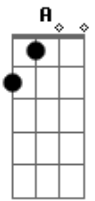

E A  
Todo amor

Sonho de flor

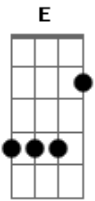

Sonho de cor

Sou um grilo que tem alma de flor

Borboleta linda do meu jardim

Feliz assim, quero te ver

Passe o tempo sempre a voar

Mas deve pousar

Para me alegrar
