I dont wanna fight no more
I only wanna get to shore
Baby dont slam the door tonight
Ran another off the tracks
thats time we cant get back
We can save tomorrow if we try
Ohhhhh, till we make this right
Ohhhhh I wont say good night
I just wanna make you laugh
G D Em
I just wanna see that smile
Baby were only here
oh, for a little while
I just wanna hold you till
                               we fall asleep
I want love, I want us, I want you, I want me, and I want
Everybody needs a place
somewhere thats warm and safe
for shelter from this crazy world were in
But tonight I let the rain inside
```
