Verso 3

-----

There are many things that I would like to know  
 And there are many places that I wish to go  
 But everything's depending on the way the wind may blow

I don't know what it is that makes me feel alive  
 I don't know how to wake the things that sleep inside  
 I only wanna see the light that shines behind your eyes

Refrão

-----

Because we need each other  
 We believe in one another  
 And I know we're gonna uncover  
 What's sleepin' in our soul  
 Because we need each other  
 We believe in one another  
 And I know we're gonna uncover  
 What's sleepin' in our soul  
 What's sleepin' in our soul

What's sleepin' in our soul

What's sleepin' in our soul

'Cause we believe

'Cause we believe

Yeah, we believe

'Cause we believe

'Cause we believe

'Cause we believe

Because we need

Because we need
