Oasis - Born On A Different Cloud

Tom: C

    Verse 1:

```
Am                      Am   Am
Born on a different cloud
          G
From the ones that i pass 'round town
F                       F   F
It's no surprise to me
G
That you're classless, clever and free
```

Verse 2:
```
Am                      Am    Am
Loaded just like a gun
          G
You're the hero that's still unsung
F                       F   F
Livin' on borrowed time
          E
You're my sun and you're gonna shine
```

Bridge 1:
```
Dm
Talkin' to myself again
                        A
This time I think I'm getting through.
     Dm
```

```
It's funny how you think,
      A                       E
It's funny how, it's funny how when you do.
```

Repeat Verse 1

Guitar Solo

Bridge 2:
```
G
Lonely soul,
              Am
Busy working over time.
G
Nothing ever gets done,
                        Am
Especially when your hands are tied.
G
Lonely soul,
              Am
Breaking up your mother's pride.
G
Nothing ever gets done,
E
Not until your war's won.
```
