

Oasis - Cloudburst

Tom: **A**

Chords used:

E
A (x02220)
A (x02230)
Dbm (x46654)
D (xx0232)

Riff played during Intro and Verses:

b= bend (6b7 means bend string at 6th fret to play the note the string would play at the 7th fret without being bent)
 r= release (6b7r6 means bend at 6th fret to make note of 7th fret, then release string to make note of 6th fret.)
 h= hammer on
 p= pull off

Verse 1

[NOTE: play chords below along with above riff]

E **A**
 Wake up, there's a new day dawning
E **A**
 I think I'll take a little walk for a while
E **A**
 I need shades cos the sun is blinding
E **A**
 And I can see for miles and miles
E **A**
 Yeah I can feel the earth beneath me
E **A**
 I lie down we are as one
E **A**
 They look but they cannot find me
E **A**
 I'm off and heading for the sun

Pre-Chorus

Dbm **A** **Dbm** **A**
 I'm getting colder, I feel a chill in the air
Dbm **A**
 There's a change in the weather
Dbm **Abm**
 Here it comes again,
A **E**
 now I can feel the rain

Chorus

D **D** **D**
 The wind that brings on the change is taking me over
D **D**
 The wind that brings on the rain is making me older

[back to verse riff, using same chords as Verse 1]

Verse 2

 Downtown, the moon is shining, I'm gonna dress it up in style
 My business everybody's minding, I need to get away for a while

Pre-Chorus

 I'm getting colder, I feel a chill in the air
 There's a change in the weather
 Here it comes again, now I can feel the rain [play pre-chorus riff]

Chorus

 The wind that brings on the change is taking me over
 The wind that brings on the rain
 is making me older [NOTE:all other instruments besides lead guitar stop]

[NOTE:resume background music]
