

## Oasis - Dont Go Away

```
Tom: C
Verse 1:
A cold and frosty morning there's not a lot to say
About the things caught in my mind
As the day was dawning my plain flew away
With all the things caught in my mind
Fill#1(this is played through all the song)
And \dot{\mathbf{I}} don't wanna be there when you're coming down
Am7 (Fill#1)
And I don't wanna be there when you hit the ground
So don't go away, say what you say
                      Em
But say that you'll stay, forever and a day
In the time of my life, cause \mathbf{I} need more time
Yes I need more time just to make things right
Little Solo:
Verse 2:
Damn my situation and the games I have to play
With all the things caught in my mind
Damn my education I can't find the words to say
About the things caught in my mind

And I don't wanna be there when you're coming down
