               Am                [Intro] C  F  C  F

[Primeira Parte]

  C             Cadd9         Am
Slip inside the eye of your mind
           E             F  G
Don't you know you might find
                     C   Am  G
A better place to play

 C             Cadd9        Am
You said that you'd never been
              E                F
But all the things that you've seen
G                     C   Am  G
  Will slowly fade away

[Pré-Refrão]

F                   Fm             C
  So I start a revolution from my bed
           F
'Cause you said the brains
   Fm             C
I had went to my head
  F                Fm               C
Step outside, the summertime's in bloom
  G
Stand up beside the fireplace
 E
Take that look from off your face
 Am             G          F   G
You ain't ever gonna burn my heart out

[Refrão]

     C  Cadd9      Am
And so Sally can wait
      E             F
She knows it's too late
          G          C  Am  G
As we're walking on by
     C     Cadd9   Am  E
Her soul slides away
                F         G
But don't look back in anger!

I heard you say

Where nobody knows
                  C  Am  G
If it's night or day

Please, don't put your life
        Am
In the hands
      E           F  G
Of a rock'n'roll band
                    C  Am  G
Who'll throw it all away
