Verso 1

Yeah i feel like a force of nature
Could make you sing like a bird released
If what you seek is the wise mans treasure
You know it's buried beneath your feet
You know you look like a faded picture
I see the cracks freezing on your skin
And as the world slowly turns it hits ya
That the thieves of the night are coming and take you in

Refrão

You're smokin all my stash
But burning all my cash
I bet you knew right away
It's all over town
And the suns going down
And the days of your easy life
I bet you knew right away
Your dope you don't know where it's at
It's all over town
As the suns going down
And it's high time to pray

G A E (Riff 2)

If you're begging me please
And you're on your knees and pray-ay
