

## Oasis - Gas Panic

```
Tom: Ab
                                                         An hour to sing for his soul
                                        F )
                                                         Refrão 2
(com acordes na forma de
Capostraste na 3ª casa
Autor: Noel Gallagher
                                                              Bb
                                                                          F7M G
                                                         'Coz my family don't seem so familiar
(Braçadeira (Capo) na 3.casa)
                                                              Bb F7M G
                                                         And my enemies all know my name
Acordes
                                                               Bb
                                                                       F7M
                                                         And if you hear me tap on your window
 Bb Bb Bb G C D F7M Bb
                                                                C
                                                         You better get on your knees and pray
Intro: ----
Bb Bb G Bb Bb Bb G Bbc
                                                         Panic is on the way
                                                         Bb F7M G (x2)
Verso 1
 Bb
                   Bb
                                Bh G
                                         Bb
                                                         Guit. Break
What toungue less ghost of sin crept through my curtains Bb Bb G Bb
                                                         G / G / F7M / C / G / G / F7M / C / Bb / C / C
Sailing on a sea of sweat on a stormy night
               Bb Bb G
                                                         (Solo - Gaita, acordes do refrão)
 Bb
I think he don't got a name but i can't be certain
 Bb Bb Bb G Bb
                                                         Refrão 3
And in me he starts to confide
                                                         'Coz my family don't seem so familiar
Refrao 1
                                                              Bb F7M G
-----
     Bb
              Bb Bb G Bb
                                                         And my enemies all know my name
That my family don't seem so familiar
                                                              Bb F7M
                                                         And if you hear me tap on your window
    Bb Bb Bb G
And my enemies all know my name
                                                                Bb F7M
                                                         Then you get on your knees and you better pray
Bb Bb Bb G
And if you hear me tap on your window
                                                         Refrão 4
You better get on your knees and pray
                                                               Bb
                                                                           F7M
                                                                                   G
                                                         'Coz my family don't seem so familiar
Panic is on the way
                                                              Bb
                                                                     F7M G
Bb Bb G Bb (x2)
                                                         And my enemies all know my name
                                                              Bb F7M G
Verso 2
                                                         And if you hear me tap on your window
 Bb
                    F7M
                                                         You better get on your knees and pray
My pulse pumps out the beat to the soul less dancer
                                                         Panic is on the way
                  F7M
My eyes are dead and my thoughts like a big black hole
                                                         Bb F7M G até o final
                F7M
And if there's a god above who'd would he give another chancer
                                                         Rafael Tosta (Mais Uma Vez - KKKKKAAAA0000SSSSSSS!!!!)
