

# Oasis - Hey Now

tom:

**G**

**G**

I hitched a ride with my soul

By the side of the road

**Em7**

Just as the sky turned black

**G**

I took a walk with my fame

Down memory lane

**Em7**

I never did find my way back

**G**

You know that I gotta say time's slipping away

**Em7**

And what will it hold for me

**G**

What am I gonna do while I'm looking at you

**Em7**

You're standing ignoring me

[Refrão]

**Bb** **A7** **Cadd9**

I thought that I heard someone say now

**G** **Bb**

There's no time for running away now

**A7** **G**

Hey now! Hey now!

**Em7** **G** **Em7** **G**

Feel no shame - cos time's no chain

**Em7** **G** **Em7** **D**

Feel no shame

[Segunda Parte]

**G**

The first thing I saw

As I walked through the door

**Em7**

Was a sign on the wall that read

**G**

It said you might never know

That I want you to know

**Em7**

What is written inside of your head

**G**

And time as it stands

Won't be held in my hands

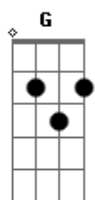

**Em7**

Or living inside of my skin

**G**

And as it fell from the sky
