

# Oasis - Hey Now

tom:

**G**

I hitched a ride with my soul **G**

By the side of the road  
**Em**  
Just as the sky turned black **G**

I took a walk with my fame

Down memory lane  
**Em**  
I never did find my way back

**G**  
You know that I gotta say time's slipping away  
**Em**  
And what will it hold for me

**G**  
What am I gonna do while I'm looking at you  
**Em**  
You're standing ignoring me

[Refrão]

**Bb** **A7** **Cadd9**  
I thought that I heard someone say now  
**G** **Bb**  
There's no time for running away now  
**A7** **G**  
Hey now! Hey now!

**Em** **G** **Em** **G**  
Feel no shame - cos time's no chain  
**Em** **G** **Em** **D**  
Feel no shame

[Segunda Parte]

**G**  
The first thing I saw

As I walked through the door  
**Em**  
Was a sign on the wall that read **G**

It said you might never know

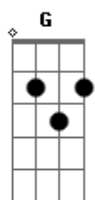

That I want you to know  
**Em**  
What is written inside of your head

**G**  
And time as it stands

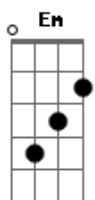

Won't be held in my hands  
**Em**  
Or living inside of my skin **G**

And as it fell from the sky
