

Oasis - It's Getting Better (Man!!)

Tom: A

Verse 1:

A
Say something
A G D A
Shout it from the rooftops of your head
A
Make it sort of mean something
A G D A
Make me understand or I'll forget
A
The people here on life's beaches
A G D A
They wish upon the waves that hide the sand
A
Let them know that life teaches you
A G D A
To build a castle in your hand

Bridge:

A G D A
Maybe the signs I've seen are wrong
A G D A
Maybe the dreams I've dreamed are gone
A G D A
So bring it on home and it won't be long
(N.C.) A Gbm
It's Getting Better Man!!

Chorus:

Gbm A-A-E-E-Gbm
And what was that you said to me?
Gbm A-A-E-E-Gbm

Just say the word and I'd be free?

Gbm Bm
And where the stars are shining bright
D A
It's Getting Better Man!
Gbm A-A-E-E-Gbm
And crashing in upon a wave
Gbm A-A-E-E-Gbm
It's calling out beyond the grave
Gbm Bm
And we're the fire in the sky
D A
It's Getting Better Man

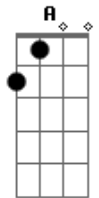

Verse 2:

A
Build Something
A G D A
Build a better place and call it home
A
Even if it means nothing
A G D
You'll never ever feel that you're alone.

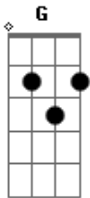

Bridge:

A G D A
Maybe the songs that I sing are wrong
A G D A
Maybe the dreams we dream are gone
A G D A
So bring it on home and it won't be long
(N.C.) A Gbm
It's Getting Better Man!!
