

Oasis - Its Good To Be Free

```
tom:
Head like a rock spinning round and round
I found it in a hole sitting upside down
                                                   Em7 Em
A7 Am7 Em
You point the finger at me but I don't believe
Paint me a wish on a velvet sky
You demand the answers but I don't know why
In my mind
           Em Em7 Em
There is no time
[Refrão]
The little things, they make me so happy
\mbox{\ensuremath{\mbox{G}}} All I want to do is live by the sea
                     A2
The little things, they make me so happy
        Α7
                       Am7
But it's good, yes it's good
It's good to be free
[Verso]
So what would you say if I said to you
Acordes
```

```
It's not in what you say it's in what you do
You point the finger at me b
                            but I don't believe
Bring it on home to where we found
My head like a rock sitting upside down
In my mind
            Em Em7 Em
There is no time
[Refrão]
The little things, they make me so happy
\mbox{\ensuremath{\mbox{G}}} All I want to do is live by the sea
                    A2
The little things, they make me so happy
A7 Am7
But it's good, yes it's good
It's good to be free
A7 Am7
But it's good, yes it's good
               Em
It's good to be free
```
