

Oasis - Its Good To Be Free

```
tom:
Head like a rock spinning round and round
I found it in a hole sitting upside down
A7 Am Em E
You point the finger at me but I don't believe
                                                  Em Em
Paint me a wish on a velvet sky
You demand the answers but I don't know why
In my mind
           Em Em Em
There is no time
[Refrão]
                       A2
The little things, they make me so happy
\mbox{\ensuremath{\mbox{G}}} All I want to do is live by the sea
                    A2 Em
The little things, they make me so happy
       A7
                       Am
But it's good, yes it's good
It's good to be free
[Verso]
So what would you say if I said to you
Acordes
```

```
It's not in what you say it's in what you do
A7 Am Em E
You point the finger at me but I don't believe
Bring it on home to where we found
My head like a rock sitting upside down
In my mind
          Em Em Em
There is no time
[Refrão]
The little things, they make me so happy
A2
The little things, they make me so happy
A7 Am
But it's good, yes it's good
It's good to be free
A7 Am
But it's good, yes it's good
             Em
It's good to be free
```
