Intro: B Dbm

Four Seasons.. seconds flick and flash... I'm alone

Dbm

A lonely scream provides the scene

It's no home

Every night I hear you scream,

But you don't say what you mean

This was my dream, but now my dream has flown

I'm at the crossroads waiting for a sign  
My life is standing still, but I'm still alive  
Every night I think I know  
In the morning where did he go  
The answers disappear when I open my eyes

I'm no stranger to this place

Where real life and dreams collide

And even though I fall from grace

I will keep the dream alive
