320033 - **G**

x22033 - **Em7**

I'm pretty much tone-deaf so hear's my best shot at it.

LIF**E** IN VAIN. from early OASIS demo's

Opening:

B B7sus4 **C** **G**

B

I used to life my life in vain

B7sus4

Until today its been the same

C

I've gone away to disappear

G

My life with you was just to near

B

A better life is all I need

B7sus4

To free me from this naughty league

C

I've been and gone, I won't be back

G

I'll live my life without all that

Em7

B

With my own eyes I realize

C

It was time to say good night

Em7

B

I was never really sure but

C

Now I know I'm right

B

I used to life my life in vain

B7sus4

Until today its been the same

C

I've gone away to disappear

G

My life with you was just to near

B

A better life is all I need

B7sus4

To free me from this naughty league

C

I've been and gone, I won't be back
