I'm pretty much tone-deaf so hear's my best shot at it.

LIFE IN VAIN. from early OASIS demo's

Opening:

**B** B7sus4 **C** **G**

**B**

I used to life my life in vain

B7sus4

Until today its been the same

**C**

I've gone away to disappear

**G**

My life with you was just to near

**B**

A better life is all I need

B7sus4

To free me from this naughty league

**C**

I've been and gone, I won't be back

**G**

I'll live my life without all that

**Em**

**B**

With my own eyes I realize

**C**

It was time to say good night

**Em**

**B**

I was never really sure but

**C**

Now I know I'm right

**B**

I used to life my life in vain

B7sus4

Until today its been the same

**C**

I've gone away to disappear

**G**

My life with you was just to near

**B**

A better life is all I need

B7sus4

To free me from this naughty league

**C**

I've been and gone, I won't be back
