

Oasis - Sad Song

tom:

Intro: Am C Am C
Am C Am C

Sing a sad song in a lonely place
And try to put a word in for me
It's been so long since i found a space
You better put in two or three

We as people are just walking round
Our heads are firmly fixed in the ground
What we don't see well it can't be real
What we don't touch we cannot feel

[Refrão]

C
While we're living
G
In this town
Am F
The sun is coming up and it's going down
C
But it's all
G
Just the same
D
At the end of the day

C
Well we cheat
G
And we lie
Am F
Nobody says its wrong so we don't ask why
C
Cause it's all
G
Just the same
D
At the end of the day

C
Well we cheat
G
And we lie
Am F
Nobody says its wrong so we don't ask why
C
Cause it's all
G
Just the same
D
At the end of the day

F C
Throwing it all away
F C
Throwing it all away
F C
Throwing it all away
F C
Throwing it all away
E
At the end of the day

Am F
If you're needing something i can give
Dm G
I know i'd help you if i can

If you're honest and you say that you did
You know that i would give you my hand
Or a sad song in a lonely place
I'll try to put a word in for you
Need a shoulder?
Well if that's the case
You know there's nothing i wouldn't do
[Refrão]
