Subject: Shakermaker

I was flicking through your oasis tab collection last night, like most nights, when I decided to try shakermaker out. I was a bit disappointed really, it just didn't sound right! So, I decided to have a go myself.

( it may not be completely right, for I've only been playing one year but it's better than the other one! )

Here goes -

( the opening riff is the same, the rest isn't )

NOTE: all the seven 's do make a lot of difference
