

Oasis - Take Me Away

Tom: **D**

D **A**
Just when it falls apart
D7
And when it's time to start
G
Will you sit down here for another day
D **A**
And when it's time to be
D7
All the things that we
G
Are wishing away for another day
A7 **D**
Cos in my soul we know where we're going
A7 **Em**
We're going where the grass is green, the air is clean
G
And the good times are growing
D **E**
So take me away
G
Just for today
A **A** **D**
Cos I'm sat here on my own
D **E**
I'd like to be
G
Under the sea
A **A** **D** (**D** **A** **D7** **G**)
Where they'd probably need a phone
D **A**
And just when it falls apart
D7
And just when it's time to start
G
Will you sit down here for another day
A7 **D**
Cos in my soul we know where we're going
A7 **Em**
We're going where the grass is green, that air is clean
G

And good times are growing

D **E**
So take me away
G
Just for today
A **A** **D**
Cos I'm sat here on my own
D **E**
I'd like to be
G
Under the sea
A **A** **D**
Where they'd probably need a phone
E
I could be you
G
If I wanted to
A **A** **D**
But I've never got the time
E
You could be me
G
And pretty soon you will be
A **A** **C** **D**
But you're gonna need a line
C **D**
Need a line
C **D**
Need a line
C
Need a line
