

# Oasis - Take Me Away

Tom: **D**

**D** **A**  
Just when it falls apart  
**D7**  
And when it's time to start  
**G**  
Will you sit down here for another day  
**D** **A**  
And when it's time to be  
**D7**  
All the things that we  
**G**  
Are wishing away for another day  
**A7** **D**  
Cos in my soul we know where we're going  
**A7** **Em**  
We're going where the grass is green, the air is clean  
**G**  
And the good times are growing  
**D** **E**  
So take me away  
**G**  
Just for today  
**A** **A** **D**  
Cos I'm sat here on my own  
**D** **E**  
I'd like to be  
**G**  
Under the sea  
**A** **A** **D** ( **D** **A** **D7** **G** )  
Where they'd probably need a phone  
**D** **A**  
And just when it falls apart  
**D7**  
And just when it's time to start  
**G**  
Will you sit down here for another day  
**A7** **D**  
Cos in my soul we know where we're going  
**A7** **Em**  
We're going where the grass is green, that air is clean  
**G**

And good times are growing

**D** **E**  
So take me away  
**G**  
Just for today  
**A** **A** **D**  
Cos I'm sat here on my own  
**D** **E**  
I'd like to be  
**G**  
Under the sea  
**A** **A** **D**  
Where they'd probably need a phone  
**E**  
I could be you  
**G**  
If I wanted to  
**A** **A** **D**  
But I've never got the time  
**E**  
You could be me  
**G**  
And pretty soon you will be  
**A** **A** **C** **D**  
But you're gonna need a line  
**C** **D**  
Need a line  
**C** **D**  
Need a line  
**C**  
Need a line  
( Violão 1 - **D** **E** **G** **A** **A** **D** ) [6x]
