

# Oasis - The Fame

Tom: D

Verso 1

**D**  
It breaks like glass, but not in your hand

Shoot you down right where you stand

**Bm** And it don't care for what you wear

**G** or which way you might sway

Verso 2

**D**  
It calls you up, but not on the phone

And it will drag you from your throne

**Bm** And you may laugh while you sit there sipping you champagne **A** **G** **D**

**Bm** And may I laugh at your dispare sniffing your cocaine **A** **G** **D**

Ponte

**Bm** I'm a man of choise in an old Rolls Royce **A**

**G** And I'm howling at the moon **D**

**Bm** Is my happening to deafening for you? For you? **A** **G**

Refrão

**D A G**

Its maybe the fame

**D A G G D**

Its forgotten you name

**E G E G D A G**

The tears you cryed you never did explain

**D A G G D E G E G D**

And I remain, blowing through you like a hurricane

**D A G**  
Its a shame, Its a shame, Its a shame

Verso 3

**D**  
It will not fall, not from the sky

And it don't eat no humble pie

**Bm** And you may have your quiet life **A**

**G** But I bet you don't know why **D**

Verso 4

**D**  
It made you a mess, you didn't believe

You still don't know what makes me breathe

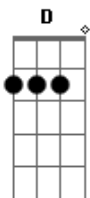

**Bm** And you may laugh while you sit there sipping your champagne **A** **G** **D**

**Bm** And may I laugh at your dispare while your sniffing your cocaine **A** **G**

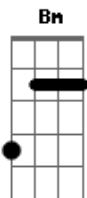

Ponte
