I can chase them all away

Verse 2:

Why do you need a reason for to feel happy
Or shining for the rest of the world
Give me just a smile and wont you make it snappy
Get your shit together girl

You got a feeling lost inside
Em D2 C
It just won't let you go.
D B7
Your life is sneaking up behind
Em D2 C
It just won't let you go

Em D2 C
No it just won't let you go

Chorus:

G C
Is would you maybe,

'Cos when you say something
you make me believe
In the girl who wears a dirty shirt,
she knows exactly what she's worth
she knows exactly what she's worth to me!

If you ever find yourself inside a bubble
You've got a find your own way home
You can call me anytime you're seeing double
Now you know you're not alone.
