Tom: **A**

No i won't

let you down

hate to say you're surrounded by clowns

looks to me, they've had their day

think its time that you came out and play

what you say, its **G** time that you **D** came out and **A** play

won't you say, its **G** time that you **D** came out and **E** play

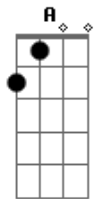

lets get out of our **G D A** m-i-nds

wont waste your **G D A** t-i-me

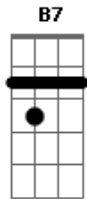

give it a **G D A** t-r-y

wont waste your **G D A** t-i-me
