

# Oasis - Won't Let You Down

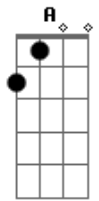

Tom: **A**

No i won't  
let you down

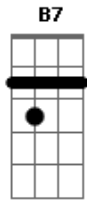

hate to say you're surrounded by clowns  
looks to me, they've had their day  
think its time that you came out and play

what you say, its time that you came out and play  
won't you say, its time that you came out and play  
lets get out of our m-i-nds  
wont waste your t-i-me  
give it a t-r-y  
wont waste your t-i-me
