       B   Bm  Bm   A

D      A    Em  G
   My name is Ariel
       D        G       A
And I want to be free
D       A    Em
   It is your sorrow
   G       Bm     G       A
That has made a slave of me
Bm      A
    Forgive me
G      A
   Forgive me
D    Em       G       A
   But you are all I know
Bm      A        G
    Forgive me for leaving

D      A     Em    G
   The day is breaking now
       D      G     A
It's time to go away
D      A     Em    G
   I'm so afraid to leave
        Bm      G        A
But more afraid to stay
Bm      A
    Forgive me
G      A
   For leavning
D    Em        G       A
   The sadness in your eyes
Bm       A      G   A
    Forgive me

Em        G       Bm       D
Let the wind and ocean water
Em        G         D    A
Wash across your hands
Em        G       Bm        D
Wash away a thousand footsteps
G       D      A
Wash us all away
```
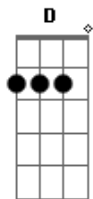

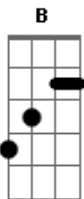

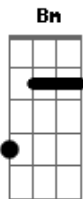

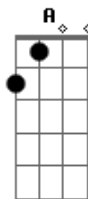

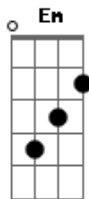

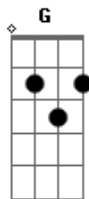

```
              Bm       A
         Like sand

         D       A     Em
            The sky has fallen
         G       D       G        A
            Now the earth is dry and torn
         D       A      Em
            I know you're tired
            G        Bm      G       A
         From the violence of the storm
         Bm      A
             I love you
         G      A
            I love you
         D    Em       G       A
            But you are all I know
         Bm       A      G   A
             Forgive me

         Em        G       Bm       D
         Let the wind and ocean water
         Em        G         D    A
         Wash across your hands
         Em        G       Bm        D
         Wash away a thousand footsteps
         G       D      A
         Wash us all away
         Em        G       Bm       D
         Let the wind and ocean water
